A Progressive Outdoor Experiential Learning Programme delivered exclusively by **Energize**

Angling4Success is a progressive angling & Photography course offering a complete package of angling coaching and photography tuition, from a one-off taster session, all the way through to BTEC Fish Husbandry accreditation.

What is Angling4Success?

A back-to-nature outdoor experiential learning programme, consisting of the following core activities:

- Angling Coaching delivered by a Level 2 Angling coach
- Digital Photography & Photo Enhancement Tuition (Using Photoshop Elements)

Plus optional taster days or add-on modules of:

- Falconry (Optional Activity)
- Forest Skills delivered by qualified Forest School experts

The aim of the course is to use these outdoor activities to empower, enable and engage using mentoring support and accreditation to improve social, behavioural and educational esteem.

Who is Angling4Success aimed at?

Generically, those who are in need of a boost of confidence, positive role models or from deprived communities. More specifically:

- Those interested in fishing and/or other outdoor pursuits and who are more likely to achieve in an outdoor setting and follow an outdoors/country pursuits career path.
- Those disaffected and disengaged from mainstream education; at risk from exclusion from school; attending school PRU; involved in anti-social behaviour or crime; or involved with Social Services.

A4S BTEC Fish Husbandry (2 GCSEs)

Starting Jan 2009 Angling4Success offers pre-16 students the opportunity to capitalise on their new knowledge and skills by earning a BTEC Fish Husbandry qualification equivalent to 2 GCSEs.

A4S Fishing & Photography Stage 2 - Peer Mentor

Developing on skills learned in Stage 1, students learn how to pass their skills on to slightly younger peers who are involved in Stage 1. (Falconry & Forest Skills Optional)

A4S Fishing & Photography Stage 1 - Mentee

Students learn float/ledger/pole/whip angling techniques from a Level 2 Coach and photography/Photoshop Elements in order to create their own photographic portfolio (Falconry & Forest Skills Optional)

A4S Taster / Refresher Sessions

Whether absolute beginner or coming back to angling from previously, the taster session offers a day/afternoon session of basic coaching, learning new skills and the chance to put these skills into action.

Energize has already delivered Angling4Success courses to students in the following schools:

Bedfordshire Upper Schools: Hastingsbury, John Bunyan, Sharnbrook, St. Thomas More, Harlington, Samuel Whitbread
