

HAZARD IDENTIFIED	WHO MIGHT BE HARMED	LEVEL OF RISK HIGH / MEDIUM / LOW	CONTROL MEASURES IN PLACE	ACTION NECESSARY TO REDUCE RISK
Old and new buildings and machinery, especially near the main car park.	Participants and coaches.	Low.	Safety talk and constant supervision.	Keep everyone away from buildings and machinery.
Bird scarers. (Loud bang from propane gas tank, ignited.)	Participants and coaches.	Low.	Safety talk and constant supervision.	Keep everyone away from the bird scarers.
River Ivel. (A fairly fast paced river with steep banks.)	Participants and coaches.	Medium to high.	Safety talk and constant supervision.	Keep everyone away from the river unless doing a supervised activity. (Especially when the river is in flood, or icy or snowy.) Grippped boots or wellies essential. Keep throw ropes to hand and know where nearest life rings are.

RISK ASSESSMENT FORM LOCATION : Manor Farm Fishery (Lakes and River) , Sandy, Beds. ACTIVITY : A4S Fishing and Photography.
